Thanks for taking the time to review the guidelines and offer questions.

Hello –

I have read the draft guidelines and application for the Urban Greening for Sustainable Communities Program and have a few questions.

1. At the time of application, does the project need to be completely funded other than the funds requested through this process?
2. Is there any sense of when the two deadlines will be?
3. How long will the decision making process be approximately?

Thank you so much! - shara

Psst...

We've changed our name from **Aquatic Adventures** to **Ocean Discovery Institute**
